Practical Practices

As we welcome 2023, we want to wrap-up 2022 with a list of resources our board members engaged with during the year in order to learn more about the art of mathematics teaching or with mathematics itself.

Spotlighting Colorado Educators and Teams

This month we spotlight a Abby Briggs, an incredible teacher and leader from Northridge High School in Greeley, CO. This team will receive a care package of teacher goodies!

Trivia

Each newsletter will have a trivia question. From those that answer correctly, five will be chosen to receive a prize.

TRIVIA QUESTION:

What famous statistician and founder of modern nursing was also believed to have been a member of the LGBTQIA+ community?

Deadline for submission: February 24, 2023
